It sounds like noon to 2:00 pm is the ticket. We have a TCT meeting scheduled to go until noon at DEQ NWR. We could be available beginning at 12:30. Can we book 12:30 until 2:00 pm. We can meet at Rick's office or in our office.

Eric

Wednesday, noon to 2pm is the best option for me - I'm out of the office
Thursday and Friday.

Fw: PH FS

Chip and Rick, see Jim's message below his availability to get together and discuss the development of the draft PH FS. I am available any of these times.

As we are all aware, the delivery of the draft PH FS is a critical step for the Portland Harbor site. Given the large size of the Portland Harbor site and the many AOPCs being evaluated, I believe the four of us need to discuss how we can work together to ensure delivery of a quality FS that presents the results of the feasibility analysis in a clear and objective manner.

Thanks, Eric

I think that would be great. I've been thinking about it over the weekend and have a few ideas/options to share with you, Chip and Rick. I am available Wednesday noon to 2:00, anytime Thursday morning, and after 2:00 Friday afternoon. Thanks Eric.

Jim, I wanted to follow-up on talking about the PH FS. I recognize you are out of town today, but perhaps you could send me a quick note about getting together with Chip, Rick and I.

Thanks, Eric
